Languages:

- **English:** Full Professional proficiency.
- **Arabic:** Native Proficiency

Degrees (Qualifications):

1. PhD in Pharmacology, Faculty of Medicine, University of Mosul, Mosul, Iraq.
2. M. Sc in Pharmacology, Faculty of Medicine, University of Mosul, Mosul, Iraq.
3. B. Sc. (Dental Surgery), Faculty of Dentistry, University of Mosul, Mosul, Iraq.

Educational Information:

Ph.D. Thesis

Comparative Effects of Telmisartan versus Valsartan on Serum Leptin and Homeostatic Model Assessment of Insulin Resistance in Hypertensive Patients with Type 2 Diabetes Mellitus.

Ms.C. Thesis

Monitoring of Some Liver Function Tests During Ranitidine and Omeprazole Therapy.

Teaching Experience:

1. Teaching of the Pharmacology 1, Pharmacology 2 & Pharmacology 3 in Faculty of Pharmacy, University of Philadelphia, Amman, Jordan. (2015 - until now).
2. Teaching of the Pharmacology for 3rd year students in the Faculty of Medicine, University of Mosul, Mosul, Iraq. (10years).
3. Teaching of the practical Pharmacology (laboratory) for 3rd year students in the Faculty of Medicine, University of Mosul, Mosul, Iraq.

Past Jobs (Occupation):

1. Coordinator of Pharmacology, Toxicology and Therapeutics in the Faculty of Pharmacy, University of Philadelphia, Amman, Jordan. (2016- 2018).
2. Assistant Professor, in the Faculty of Pharmacy, University of Philadelphia, Amman, Jordan. (2015 - until now).
3. Lecturer in Department of Pharmacology, Faculty of Medicine, University of Mosul, Mosul, Iraq. (10 years).
4. Director of Research and Development, Planning and Informatics department in the Faculty of Medicine, University of Mosul, Mosul, Iraq. (3 years).

Experiences, Certificates and Professional Courses:

1. Ability of analyzing the data by Statistical Package for Social Sciences (SPSS) for medical research.
2. Participation in the Session Organized by the Computer & Internet Center for the Efficiency of the Computer for Graduate Students for the University of Mosul.
3. Participation in the Session of Laboratory Teaching Styles, organized by the Center of Developing Teaching Methodology & University Training for the University of Mosul Lecturers.
4. Participation in the Teaching Methodology Session, organized by the Center of Developing Teaching Methodology & University Training for the Scientific Promotion for the University of Mosul Lecturers.
5. Participation in the session organized by UNICEF about the breastfeeding in Baghdad.
6. Participation in the training workshop : Ethical Issues for research , Philadelphia University, Amman/ Jordan
7. Participation in the PhD Applicant workshop (Queens university Belfast 2018)
8. Participation in the Google form and Google drive workshop , Philadelphia University, Amman/ Jordan
9. Participation in many medical and pharmaceutical conferences and Symposiums

Professional & Scientific Committees

1. Committee member of Quality Assurance ,Faculty of Pharmacy, University of Philadelphia, Amman, Jordan
2. Committee member of Academic Advising in the Faculty of Pharmacy, University of Philadelphia, Amman, Jordan
3. Member of the Community Committee at the Faculty of Pharmacy, University of Philadelphia, Amman, Jordan
4. Committee member of the Curriculum Development in the Faculty of Medicine, University of Mosul, Mosul, Iraq.
5. Committee member of the exams in the Faculty of Medicine, University of Mosul, Mosul, Iraq.
6. Committee Member of the Collection of Medical Faculty Curriculum for all stages of the Faculty of Medicine, University of Mosul, Mosul, Iraq.

RESEARCHES

Published research

1. Human Recombinant Erythropoietin in the Treatment of Anemia of Patients with Chronic Renal Failure. (*MJBU, Volume: 27, No.1, 2009*).
2. Effects of Glibenclamide vs Metformin on serum uric acid levels in patients with type-2 diabetes mellitus. (*Iraqi journal of pharmacy Volume: 11, No.1, 2011*).
3. Comparative Effects of Telmisartan versus Valsartan on HOMA-IR in type2 Diabetes Mellitus Patients with Hypertension. (*Indian Journal of Applied Research Volume: 4, Issue: 1, Jan 2014*).
4. Comparative Effects of Telmisartan versus Valsartan on serum Leptin level, in hypertensive type2 Diabetes Mellitus patients. (*Iraqi journal of pharmacy Volume: 14, No.1, 2014*).

Researches which Candidates for Publishing

5. Book Chapter: Quality Control and Testing Evaluation of Pharmaceutical Aerosols.
6. The Effect of Using Combined Oral Ethinyl Estradiol and Levonorgestrel in the Resolution of Menstrual Pattern Disorder and Functional Ovarian Cyst: A Quasi-Experimental Study.
7. Comparative study of non-pregnant women with Perinatal Depression, prevalence, suicidal attempt and factors participating in Jordanian woman.

The Researches Which Still in Performance Stages

8. Book Chapter: Pharmacology of Neuropeptides (Substance P, Vasoactive Intestinal Peptides (Vip), Neuropeptide Y, Calcitonin Peptidesand Others) And Their Receptors.
9. Comparative effects of metformin and sodium-glucose cotransporter 2 (SGLT2) inhibitors on glycemic control, kidney function in type 2 Diabetes Mellitus.
10. Gynecological Problem and Vitamin D Deficiency.
11. The study of immunogenicity, stability and safety of Vaccine against Clostridium perfringens Alpha Toxins.
12. Efficacy of Follitropin-a versus Follitropin -b for controlled ovarian stimulation.
